

# 2022 PDI Item SWAP

This year at the PDI there will not be an Auction at the PDI. Instead, there will be a SWAP TABLE at the VAST booth. If you have items that you would like to donate, drop them off at the SWAP TABLE and take an item if you see something you can use. It is important to follow the following rules.

## A FEW RULES TO FOLLOW FOR THE SWAP

- First, and foremost is safety – if the item is not safe to use, consider disposing of this item another way. Please don't donate such items. On the other hand, if an item is broken and could be repaired or is useful for parts, tag it as such.
- Second, don't bring chemicals to the SWAP TABLE. There are just too many safety and storage issues, and besides, passing off a problem to someone else just isn't nice!
- Third, you need to make sure that if you are taking a "Swap", you intend to use it in the teaching of science and are not selling it at your next yard sale.
- And Fourth, with permission, make sure that any item you donate is yours to donate OR that you have permission to donate the item for our SWAP TABLE.
- Finally, you need to make sure that anything you swap for you can carry away. We don't deliver and we don't store, so if you bought it, you're taking it that evening! Do not leave it behind. If you do not want it, give it to someone else.
